

Meet Ballot

Event #	Lane 1	Lane 2	Lane 3	Lane 4	Lane 5	Lane 6
Judge #1						
Judge #2						
Judge #3						
Time						
Time Value						
Total						
Place						

To ballot, record place judge results, award 1 point to 1st place, 2 points to 2nd place, 3 points to 3rd place, 4 points to 4th place, 5 points to 5th place, 6 points to 6th place for each judge. Record the time for each lane. Then, award 1 point for 1st place time, 2 points for 2nd place time, 3 points for the 3rd place time, 4 points for the 4th place time, 5 points for the 5th place time, and 6 points for the 6th place time. Total all points. The swimmer with the lowest number of points gets 1st place, the second lowest will get 2nd place, etc. In the event of a tie, the points for that place will be split. For example, in a tie for 1st place, each swimmer would get 4 points (from the 5 and 3 points used to tally the 1st and 2nd place scores). In a tie for 2nd place, each swimmer would get 2 points. Finally, in a tie for 3rd place, each swimmer would get ½ a point.

Attach this sheet to the heat sheet if necessary to use.
